1 Specialist Nurses may run patient budgets

Nursing Times. Vol 104. Issue 27. Page 5. 8 July

Under proposals set out by Lord Darzi specialist nurses may be key controllers of personal health budgets that would be available to some patients.

2 Discharge after colorectal cancer surgery: Part One

Nursing Times. Vol 104. Issue 28. Page 28. 15 July

This article focuses on preparing patients for discharge following surgery for colorectal cancer.

3 How the internet is changing health care

BMJ. Vol 337. Issue 7663. Page 202. 26 July

A new website allowing patients to rate doctors has attracted much attention. The internet offers many more possibilities for empowering patients; this article reviews those opportunities and latest developments.

4 Discharge after colorectal cancer surgery: Part Two

Nursing Times. Vol 104. Issue 29. Page 30. 22 July

This is part two in the series of preparing patients for hospital discharge following surgery for colorectal cancer.
